

TerraForm Power owns and operates a best-in-class renewable power portfolio of solar and wind assets located primarily in the U. S. and E.U., totalling more than 3,700 MW of installed capacity. TerraForm Power's goal is to acquire operating solar and wind assets in North America and Western Europe. TerraForm Power is listed on the Nasdaq stock exchange (Nasdaq: TERP). It is sponsored by Brookfield Asset Management, a leading global alternative asset manager with more than \$350 billion of assets under management.

SENIOR ACCOUNTANT, WIND

Location: Gatineau, Quebec

Reporting to the Manager, Accounting, Senior Accountant are accountable for all aspects of the monthly accounting cycle, ensuring accurate financial close within tight deadlines, as well as preparing the financial statements for various sites under the Wind and/or Solar Platform.

Responsibilities

- Take ownership of assigned companies, acting as the main point of contact for those outside the department.
- Prepare and document analysis for complex accounting issues, present the findings and conclusions, including the implementation plan to the Accounting group, as well as impacted stakeholders.
- Prepare accounting and financial statements for Wind and /or Solar assets.
- Prepare Journal entries as part of the monthly, quarterly and annual close process.
- Coordinate with internal departments to prepare monthly and quarterly variance analysis.
- Review and maintain monthly general ledger accounts and reconciliations to ensure accuracy of financial statements.
- Prepare monthly and quarterly account reconciliations.
- Monitor and improve upon internal controls to ensure SOX compliance and work directly with the audit team to provide quarterly and year-end audit support.
- Lead or participate in special projects as needed within the department, within a broader finance environment and/or cross-functionally.

Requirements

- High energy level, comfortable performing multifaceted projects in conjunction with day-to-day activities.
- Excellent communication interpersonal and organizations skills.
- Ability to “think outside the box” and embrace a dynamic, complex, fast-paced and deadline-driven environment.
- Effective project management skills, able to prioritize multiple tasks
- Call on past experiences, industry trends and new technology to identify opportunities to improve and streamline processes.
- Flexible and able to adapt quickly to changing priorities
- Self-motivated and able to work independently
- Able to work overtime hours during peak periods as required
- Occasional travel required

Qualifications

- Minimum of 2 years of relevant accounting experience
- BA/BS degree required
- Working towards or completion of an accounting designation (CPA/CA);
- Proficient in MS office (Excel, Work, Outlook) and Microsoft Dynamics 365 or other ERP, with the ability to learn new software
- Demonstrated knowledge of internal controls (specific SOX experience is considered an asset)
- Experience in publicly traded companies preferred
