^{2.} These RSU awards are 80% performance based and 20% time based, which are vested at 25 percent per year over a four year period. For the performance based RSUs, there are three performance tiers, each tier represents 33 percent of the entire grant. The performance tiers are measured on the dividend per share ("DPS") of the Issuer, a controlled publicly traded subsidiary, which SunEdison, Inc. is the sponsor. Each of the performance tiers are based on the Issuer's DPS targets, as pre-determined and approved by the Issuer's Compensation Committee. If certain performance goals are not achieved, the first, second and third performance tiers are forfeited in its entirety. If certain performance goals are met by the first quarter of 2016, 2017 and 2018, as measured by the last twelve months, the first, second and third tier will vest at 50%, 75% or 100%.
